

Urgent Care Physician

Job Description

This is a privately owned, brand new, state of the art medical office with primary care, urgent care, and physical therapy, whose mission is to provide comprehensive health care in the medical home model. The office is entirely electronic and affiliated with the Main Line Health System and Penn Medicine. We are searching for full-time staff Physician for our Urgent Care Center. Our state-of-the-art center features multiple exam rooms, digital x-rays, and an on-site laboratory (that includes hematology and chemistry testing). Our center is open 7 days a week. This position offers a pleasant working environment that focuses on superior patient experience, and not productivity/patient throughput.

Position Description

Physicians are primarily responsible for the provision of high quality medical care to our urgent care patients and must also:

- Actively manage all aspects of patient care while on-shift;
- Supervise and direct clinical staff;
- Ensure that all charts are accurately completed in a timely manner; and
- Adhere to all clinical policies and protocols.

Qualifications

- Passionate about the practice of medicine
- Emergency Medicine trained/experience preferred
- Board certified in Family Medicine, Internal Medicine, or Emergency Medicine
- Comfort and experience treating patients of all ages from pediatrics to geriatrics
- Clean medical malpractice record
- Effective and compassionate communicator with staff, patients, and family
- Willingness to mentor and train clinical staff, if applicable
- Highly professional appearance and attitude
- Active and current DEA number and state controlled substance certificate
- Able to multi-task effectively and work independently in a fast-paced environment
- High-energy individual with a positive attitude
- Comfortable working with electronic medical records

Job Type: Full-time; days, evenings, weekend & holiday rotations

Benefits include continuing professional education, health insurance, and 401k plan

Experience:

Urgent Care: 1 year (Preferred)

Emergency Medicine: 3 years (Preferred)
