

Radiology Technician

We are a privately owned, state of the art medical office with primary care, urgent care, and physical therapy, whose mission is to provide comprehensive health care in the medical home model. The office is entirely electronic and affiliated with the Main Line Health System and Penn Medicine. We are searching for a Part-Time / Per Diem Certified Radiology Technician for our Urgent Care. This position will also perform Medical Assistant duties as needed. The ideal candidate will enjoy working in a fast paced, walk in environment, and will provide high-quality walk-in medical care. Our state-of-the-art center features multiple exam rooms, digital x-rays, and an on-site laboratory (that includes hematology and chemistry testing). Our center is open 7 days a week. This position offers a pleasant working environment that focuses on superior patient experience, and not productivity/patient throughput.

Job Type: Part-Time / Per Diem
